

# Wolfberry Crisp™

## Product Statement

This meal replacement and protein bar boosts energy and supports healthy muscles.\*

## Product Claims

- Each bar provides 16 grams of protein for healthy muscle development and body sculpting\*
- Excellent for meal replacement
- Sweetened with low-glycemic blue agave nectar; will not spike sugar levels\*

## Key Ingredients

- Soy/whey protein is an ideal source of balanced, quality protein
- Almond butter is high in monosaturated fats, minerals like magnesium and potassium, and fiber
- Organic blue agave nectar is low glycemic, yet sweeter than sucrose
- Ningxia wolfberry is highly antioxidant and rich in nutrients like beta carotene and zeaxanthin
- Pumpkin seeds supply zinc, magnesium, calcium, and a delicious crunch
- Walnuts provide healthy omega-3 fats

## How to Use

For a meal replacement or a healthy energy snack, eat one bar as desired.

## Important Information

When sculpting the body with weight training, extra protein helps build muscle. Each Wolfberry Crisp bar is packed with extra nutrition including 16 grams of protein in a tasty and crunchy snack. Those who desire an energy boost or a healthy meal replacement will find Wolfberry Crisp bars to provide nutrition with all-natural sweeteners that are low glycemic. An all-natural formula, Wolfberry Crisp bars are also certified dairy kosher. Not only are these bars good for you, they are a delectable tasting treat as well!

## Complementary Products

### AminoTech™

An energizing formula for physical conditioning with vital amino acids, trace minerals, MSM, and alpha lipoic acid for promoting strength.\*

### Be-Fit™

Enhance strength and endurance with this companion product containing wolfberry powder, HMB to increase muscle mass, and amino acids like L-arginine and L-lysine for improved cellular metabolism and greater nutrient absorption.\*

### NingXia Red™

Exercise has one downside: the creation of free radicals. NingXia Red offers unparalleled antioxidant power to prevent free radical damage and provide nutritional support for many body systems.\*
